# A Note from the Chairman

Brian with beloved Stives family pooch Jasper, pictured in celebration of National Love Your Pet Day (February 20th).

The Annual Meeting of Members is right around the corner, on the 5th of May at 7:30 PM, and I encourage you to join us. We will discuss the state of the association, hear from our auditor, and also present neighbor awards and a couple of scholarships to deserving college-bound residents. As I write this, it appears that we are well on our way to quorum, so thank you for voting! The meeting usually lasts about an hour and a half; if you can make some time, we'd love to see you there.

Last year was another challenging year, and the Board and staff worked hard to control expenses in preparation for the ever-changing environment. Luckily, we had no major negative impacts to the budget and were able to finish 2021 in a very comfortable financial position. Due to that success, we were able to contract

for the re-plastering of both pools, so you should see that work being done now. Pool re-plastering has been on the radar for the last couple years, and the repairs got to the point where they were very necessary, so I'm happy to see that we were able to fund this sorely needed project. The pools will look a little different (i.e. a lot better), so make sure to get out this summer and enjoy the newly renovated pools!

Hope to see you at the Annual Meeting!

Yours,

Brian Stives  
Chairman of the Board

# Community Updates: Office Hours, GNW Market, Pools

Beginning Mon., April 4th, 2022, the GNW Office & Silver Creek Lodge (8809 Timberwilde) is open from 9 AM to 6 PM, opening and closing one hour earlier than previously. The existing arrangement had been intended to give residents & members of the public more time to come in after typical working hours, but feedback we've received indicated that many people would find an earlier opening time more beneficial than a later closing time. This change will not affect clubs and classes that meet after 6 PM inside Silver Creek, as security will still be on site to let participants in.

\* \* \*

Pool season is almost here, so make sure that your family has up-to-date membership IDs before Silver Creek Pool opens for weekends on Saturday, May 14th! Silver Creek weekend hours in May will be 11 AM–7 PM (with adult swim 10 AM–11 AM), and SC pool party rentals can be booked for May weekends (see p.14 for more information). At this time, Emerald Valley will not be open in May due to scheduled repairs; both pools will open for full summer hours on Friday, June 3rd. Weekend EV pool parties can be booked from that date. Weekend hours will remain 11 AM–7 PM at both pools, and weekday hours will be 11 AM–8 PM, excepting the day of the week when each pool is closed for repairs:

Monday for Emerald Valley & Tuesday for Silver Creek. With any further questions, give us a call at 210-681-2983. We're so excited for pool season, and we hope you are too!

\* \* \*

We've greatly enjoyed having the GNW Market (formerly and also the Bandera Market) in the community each weekend. However, due to the onset of our 2022 youth soccer season and the Market organizers' decision to arrange a partial return to their Bandera Pointe location, the GNW Market will switch to a Sundays-only schedule, for April & May at the least. It will be open from 12 to 4 PM, and there will be no market on Easter Sunday, April 17th. But residents will still have multiple opportunities to purchase quality produce from Balboa Farms, which provides the "farmer" aspect of our "farmer's market." Marcello Balboa has begun setting up shop in the Silver Creek Soccer Fields parking lot on Wednesdays, roughly from 10 AM to 4 or 5 PM. You can buy his delicious produce, & try an innovative new flavor of lemonade from fan favorites The Lemon Girls! Balboa is planning to expand "Farm Fresh Wednesdays" further, with additional vendors and more Balboa Farms products (he's thinking milk and eggs, for starters)! Thanks to both vendors for coming up with a new way to serve our community's shifting needs!

# Annual Meeting Thurs., May 5th: Homeowners, Vote Now!

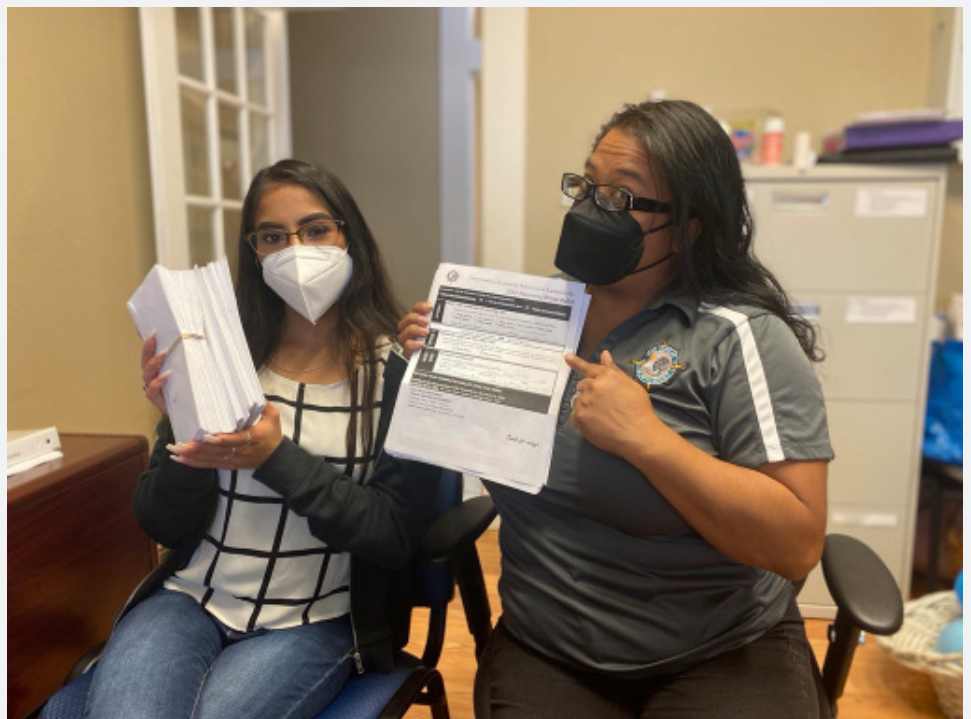

The Annual Meeting of Members is an opportunity for homeowners to hear updates about the status of the Association. The Chairman of the Board, Community Manager, and a representative of an independent auditing company will deliver reports to the audience and answer questions. This year's meeting will be held on Thursday, May 5th at 7:30 PM in Callanen Hall at the Silver Creek Lodge (8809 Timberwilde). We do not foresee this year's meeting requiring a virtual component, but should things change, we will let residents know via as many means as possible.

Among the most central aspects of the Annual Meeting is the yearly election of candidates to the Board of Directors. Board terms are three years long and are staggered, so each year, a certain number of board members will either stand for re-election or decide to conclude their time on the board. This year, two candidates are running for two spots on the Board, so they are not in competition in the traditional sense. However, the Great Northwest's governing documents require

an election to be held even in such cases, and we need your help to make sure that the results can be verified as official at the Annual Meeting on May 5th. The bylaws also indicate that at least 10% of GNW homeowners (roughly 500) must participate in the election for the results to be certifiable. With your help, we can not only achieve but blast past the quorum number & welcome our newest member of the board, first-time candidate Elias Ackerman (pictured at right, along with Chairman Brian Stives). Many thanks to everyone who's already voted, and we hope to see some of you at the Annual Meeting on May 5th!

## How can I vote?

- 1 Online at <https://gnw.pub/2022Ballot>
- 2 By returning the physical ballot mailed to homeowners, either by mail (using the enclosed return envelope) or by bringing it directly to our office at 8809 Timberwilde. If you come during a time when the office is not open (6 PM to 9 AM, or weekends) you can leave it in the dropbox in front of our entrance.
- 3 By contacting us & requesting that we pick up your ballot at your home (call 210-681-2983 or email [communicate@greatnorthwest.org](mailto:communicate@greatnorthwest.org)).

## Candidate (& Chairman of the Board) BRIAN STIVES

Brian Stives

My family and I have lived in the Great Northwest since 1996, when the Air Force brought us to the area. I retired from the Air Force in 2010 and my family decided we were staying in San Antonio and the GNW. My children grew up here in the neighborhood, participated in community sports programs, and I coached soccer, T-ball, and basketball in our youth programs. I served on the Board of Directors from 1999-2002 and I came back on the Board in 2011. I have served as Chairman from 2012-2016, and again from 2018 to present. During my tenure my greatest successes have been developing a streamlined budget process, conservative

execution of the budget, and building the financial stability of the organization, which is the strongest it has ever been.

The Board has changed a lot over the years, having new and fresh perspectives on the Board helps build and improve the organization. I am pleased to say that we have a great group of people who are involved for the right reasons and work tirelessly to make the neighborhood a better place to live and raise your family. I look forward to continuing my service to the community for one more term and invite you to join us at our Board meetings on the third Thursday of every month. Thank you for your support!

## Candidate ELIAS ACKERMAN

Elias Ackerman

I was born in Costa Rica and adopted from an orphanage at the age of ten. I've lived in Texas, Virginia, North Carolina, Kentucky, and finally here in the Great Northwest. Throughout the five years I've lived here with my wife and son, I've discovered many opportunities to spend time with the wonderful families of our great community. I've served as a coach for our soccer and basketball leagues. As a former chef, I have a passion for cooking and sharing my love for people through my food—I recently even baked desserts for the GNW staff during the 2022 assessment

season! Neighbors and the community might know me from our walks along the soccer fields and GNW Market days. We enjoy getting out and meeting our neighbors any chance that we get.

My goal is to help the community in any way that I can. Whether I'm lending a hand to a neighbor or coaching the youth of our community, I like being able to help my neighbors whenever possible. It is important to me that all of our families have a great place to live, and I aim to do my part to make that happen.

## GNW Youth Soccer Comes Home

**M**uch has been different about the past couple of years. We've seen a formidable public health challenge cause changes and disruptions in all aspects of our daily lives. This has been true here in the Great Northwest, too, with both direct & indirect ramifications: for instance, during the last three Great Northwest youth soccer seasons, our "league" was merged with that of Westover Hills Church because neither organization had enough registrants for to play separately.

While we are grateful to Westover Hills for communing with us during a difficult time, we're all the more excited to report that the Spring 2022 GNW Youth Soccer Season will return to Silver Creek Soccer Fields, with all teams comprised of GNW participants! From mid-April through late May, Saturdays will find the fields packed again with excited young athletes and the loved ones cheering them on.

While the season proper has yet to begin—the first games will be held on Friday, April 22nd and Saturday, April 23rd—

Recreation Manager Jacob Pena has been hard at work putting the many moving parts that constitute a successful soccer season into motion. Registration began in early February and ran through late March; by its end, enough participants had signed up to field 12 teams across 4 age divisions (U6, or under 6; U8; U11; and U14). Mid-March saw Mr. Pena begin lining the soccer fields, a process by which white paint is used to mark the boundaries on the pitch (the traditional term for a soccer field, FYI!). It's not something you do once and then never have to worry about again, either: "I have to line the fields at least once a week," he explains. "More if it rains."

Mr. Pena is himself a former GNW soccer participant: he grew up in the neighborhood and also served as a soccer referee, along with participation in other sports (see pg. 11 for more about him!). At a recent parents' meeting held during the last weekend in March, he spoke about his belief that playing soccer and other sports can help kids develop and exercise important capacities: not only physical health

23rd through May 28th. For more information, including a full schedule, visit the dedicated soccer page on our Web site, at <https://gnw.pub/Spr2022Soccer>. To contact Mr. Pena, find his contact info on page 11. Here's to a great season for our little soccer stars!

and agility, but citizenship, sportsmanship, and a sense of their own agency. Adult spectators are challenged, too, to weigh their passion and partiality against the call to provide a good role model for young players. It's the imperfect but deeply intentional enactment of these values in practice that makes a given match live up to the sport's common moniker: "the beautiful game."

Practices began March 28th, and the schedule will run from April 22nd through Saturday, May 28th, with games each Saturday from April

## Nominate Your Neighbors for an Award!

**D**o you have a neighbor who always goes above & beyond to help other members of the community? Who has profoundly enriched your understanding of what it means to be a neighbor—a person without whom your home would be that much less of a home? It's a GNW tradition to honor these amazing neighbors and their outstanding contributions to the community through the Neighbor Awards!

Winners will be recognized at the Annual Meeting of Members on May 5th. To view definitions of the categories and submit nominations, visit the online form at <https://gnw.pub/NeighborAwards22>. The deadline is April 27th. Neighbor award definitions are written broadly, so that nominators (who must be homeowners) can apply the abstract concept to their nominee's specific qualities. Though they cannot submit nominations, tenant residents are also eligible to receive awards.

### NEIGHBOR AWARD CATEGORIES

## Meet Jacob Pena, Our New Rec Manager!

**W**e were thrilled to welcome Jacob Pena as the Great Northwest's new Recreation Manager at the beginning of February! A GNW resident from 2003 to 2010, Jake played on our soccer, basketball and swim teams, later working for us as a soccer ref, swim coach, and lifeguard (he's holding a picture of himself as a lifeguard below!)—so he brings a wealth of experiences, fond memories and excitement to the role. He loves all sports, especially soccer, and is having a blast working with participants, coaches, parents and spectators on our spring youth soccer season. Jake lives nearby with his wife, two dogs, and a cat, and is currently pursuing a bachelors degree in Multidisciplinary Studies at UTSA.

He'd love to hear from you with any questions! Contact him by phone at 210-681-2983 (ext. 106) or by email at [recreation@greatnorthwest.org](mailto:recreation@greatnorthwest.org).

## Girl Scout Troop 1157 Gives Little Free Library a New Look!

Visitors to the Silver Creek Soccer Fields or its parking lot—and considering the amount of events that are held there, that must be quite a few of our readers!—may have noticed the small but stately houselike structure that stands up against the wrought-iron fence. It's a Little Free Library, a global phenomenon in which such structures are placed in communities and filled with books that people can take for free! Our own Little Free Library had been showing

a bit of wear, but local Girl Scout Troop 1157 stepped up (of their own accord!) and volunteered to repaint the structure on March 2nd, in observance of National Read Across America Day. The Troop snazzed the Library up with a lovely blue-green color scheme and added a number of new books as well! Many, many thanks to the girls of Troop 1157, and we encourage residents to swing by to check out the new selections and lovely new paint job—and maybe even donate some books yourself!

# Facility Rentals

## THE BASICS

We have recently changed our policies on how far in advance residents are able to book spaces. Previously, reservations could not be made more than 6 months or fewer than 3 months in advance. The new policy requires only a minimum of 6 days' advance notice, or 10 days' advance notice for events with security, and we're renting out through the end of 2022. We hope this makes realizing your dreams of a special day that much easier!

In order to book a GNW space, residents must be in good standing with the Association (all assessments fully paid). Those renting their home must have a Delegation of Rights form on file in order to book a space. The resident shall be the official renter of the space and assume all responsibilities thereof, even if the event is being held on behalf of a non-resident.

When renting Callanen or Flores Hall, your payment will reserve a six-hour time slot, during which set up and tear down must be completed, in addition to the function itself. Friday events can only be held between 5 PM and midnight; weekend events can be held between 12 noon and 12 midnight. For \$100/hr, you can extend your spot (ostensibly up to 12 hours on weekends, and up to the full 7 hours on Fridays).

Finally, please note that, with regards to set up, the estimated maximum number of guests is based on the size of a space without any tables. We can provide either rectangular or circular tables, depending upon your wishes for the space.

*Let us help you create  
lasting memories!*

## RESERVATIONS

- Reservations must be made no later than six days prior to the event. If you will be requesting security (required when alcohol is served), the cutoff is 10 days prior to the event.
- All fees are due upon signing the Facility Usage Agreement. Accepted forms of payments are Money Orders, Checks, & Credit/Debit Cards (a 2.95% surcharge is applied for card charges).

## OPERATIONS DURING YOUR EVENT

- A Party Manager will be on hand to address questions and assist with compliance.
- Member who has signed the agreement *must* be present during *the entire* duration of the party, including set-up and break-down.

## INCLEMENT WEATHER & POOL RENTALS

- If stormy weather is forecast for the date & time of your pool event, you can request to reschedule. This decision must be made before the beginning of the event. Once participants enter the pool area, their rental officially begins.

## CANCELLATIONS

- If cancelling more than 30 days before the event, you will receive a full refund. If fewer than 30 days before, you will receive your deposit back.

**Homeowners: please vote in the Board of Directors election!**

In order to certify the results of the election at the Annual Meeting on May 9, at least 10% of Homeowners (about 500) must have participated in the vote. So it's important that you vote!

You can cast a ballot on line at [gnw.pub/2022Ballot](http://gnw.pub/2022Ballot) or scan the QR code here! →
